

Personal, Social, Emotional Development

We will:

Think about and follow our classroom rules
Start to build new friendships
Think about what makes a good friend
Talk about things that make us different and similar to our friends
Talk about things we are good at

Communication and Language

We will:

Listen to and talk about stories
Talk and listen to our friends when we play
Listen to and follow simple instructions
Talk about our ideas, interests and feelings to our friends
Use our imagination and role play with our friends

Physical Development

We will:

Find out about ways to keep ourselves healthy and safe
Negotiate space in our outdoor area
Play lots of outdoor activities
Get dressed and undressed by ourselves
Hold our pencils with the right grip and begin to write some letters like the ones in our name
Join in during PE
Use the toilet by ourselves and wash our hands properly

Literacy

We will:

Recognise and write our names
Point our print around our classroom
Handle books properly
Listen to and enjoy stories
Talk about characters feelings in stories
Make marks and talk about what they mean
Draw pictures and begin to label them

Me, Me, Me!

We will read:

The Rainbow Fish, Elmer, Monkey Puzzle, Funny Bones,

Expressive Arts and Design

We will:

Act out familiar experiences in our Home Corner and play co-operatively with our friends
Make our own Rainbow Fish
Cut and stick to make our own skeletons
Paint our self-portrait and choose colours carefully
Draw pictures of our family
Sing lots of familiar songs and nursery rhymes and learn some new ones too
Do the skeleton dance
Explore instruments and change the sounds to fit Elmer and his friends

Maths

We will:

Sing familiar number songs like 5 cheeky monkeys, 1, 2, 3, 4, 5 once I caught a fish alive
Recognise familiar numbers like our house number or our age
Recognise numbers to 5, 10 and then 20
Count the Rainbow fish with 1:1 correspondence
Order the skeleton characters by height
Use positional language to find the characters from Monkey Puzzle e.g. behind, under

Understanding the World

We will:

Think about how our families are the same or different
Look at familiar celebrations like Harvest, Halloween
Find out about British Values and listen to our local PCSOs.
Go on an Autumn walk
Learn how to use our class computers and our interactive white board to play games
Act out familiar experiences in our Home Corner
