

Personal, Social, Emotional Development

We will:

- Follow our classroom rules
- Play cooperatively with our friends
- Take turns when we play together
- Talk about our ideas to a group of friends
- Think about how other's feel and comfort our friends when they are upset

Communication and Language

We will:

- Listen to and talk about stories and answer why and how questions
- Talk and listen to our friends when we play and respond to their ideas
- Listen to and follow instructions with several parts
- Explain our ideas and thoughts confidently to our friends
- Listen carefully to stories and make comments or ask question about them

Physical Development

We will:

- Move confidently in a range of ways
- Get dressed and undressed by ourselves
- Hold our pencils with the right grip and form our letters correctly
- Use a range of tools safely and competently
- Join in during PE
- Use the toilet by ourselves and wash our hands properly
- Talk about healthy and unhealthy food and activities
- Talk about ways to keep safe

To infinity and beyond!

We will read:

Aliens Love Underpants, The Way Back Home, Whatever Next, Here Come the Aliens

Literacy

We will:

- Write our names without our name cards
- Listen to and enjoy stories
- Talk about characters feelings in stories
- Make attempts to write simple sentences
- Make attempts to spell some tricky words correctly
- Write a diary entry
- Write a description
- Write a list

Expressive Arts and Design

We will:

- Act out familiar experiences in our Home Corner and play co-cooperatively with our friends
- Become astronauts in our space station
- Explore instruments and make 'space sounds'
- Make bubble planet pictures
- Take on the roles of the characters in Whatever Next

Maths

We will:

- Order numbers 1-10 then 1-20 to fix the rocket puzzle
- Alien addition
- Exploding planet subtraction
- Recognising coins to buy things from the shop to take to the moon
- Estimate how many Martians will fit on the moon

Understanding the World

We will:

- Look at familiar celebrations like Chinese New Year
- Explore planets and the solar system
- Explore different 'alien environments' and say why they are similar or different
- Use our class computers and our interactive white board to play games
- Use technology in our role play like walkie-talkies, laptops, mobile phones
