

Personal, Social, Emotional Development

We will:

- Follow our classroom rules
- Play cooperatively with our friends and take turns
- Speak confidently to a group of friends
- Show sensitivity to our friends' feelings and needs
- Talk about the consequences of our own behaviour
- Work together as a class

Communication and Language

We will:

- Listen to and talk about stories and answer why and how questions
- Talk and listen to our friends when we play and respond to their ideas
- Listen to and follow instructions with several parts
- Explain our ideas and thoughts confidently to our friends
- Listen carefully to stories and make comments or ask question about them

Physical Development

We will:

- Move confidently in a range of ways
- Get dressed and undressed by ourselves
- Hold our pencils with the right grip and form our letters correctly
- Use a range of tools safely and competently
- Join in during PE
- Use the toilet by ourselves and wash our hands properly
- Talk about healthy and unhealthy food and activities
- Talk about ways to keep safe

How does your garden grow?

We will read:

Oliver's Vegetables, The Little Red Hen, The Enormous Turnip, The Hungry Caterpillar

Literacy

We will:

- Write our names without our name cards
- Listen to and enjoy stories
- Talk about characters feelings in stories
- Make attempts to write simple sentences
- Make attempts to spell some tricky words correctly
- Make a poster
- Write a story
- Write instructions
- Write a description

Expressive Arts and Design

We will:

- Act out familiar experiences in our Home Corner and play co-cooperatively with our friends
- Become shop keepers in the vegetable shop
- Do observational drawings of flowers
- Make Easter cards
- Make mother's day cards
- Create spring collages

Maths

We will:

- Use ordinal numbers
- Measure our height
- Make a repeated pattern
- Learn 2D shape names
- Recognise coins to buy things from the vegetable shop
- Double numbers

Understanding the World

We will:

- Look at familiar celebrations like Mother's Day, Easter
- Go on a Spring walk
- Grow a broad bean
- Use our class computers and our interactive white board to play games
- Explore the life cycle of a frog, a butterfly or a chicken
- Bake some bread
- Look after plants in the garden
