

## Personal, Social, Emotional Development

### We will:

Play games with our friends with rules  
Listen to and understand different points of view  
Speak to our friends during show and tell and in carpet groups  
Try to control our own feelings, stop and think before acting and think about how our own actions affect our friends  
Try to come up with a fair solution when we have a disagreement  
Listen to our friends suggestions

## Communication and Language

### We will:

Follow a story without picture or props  
Listen to our friends and ask questions when we play and during show and tell  
Start a conversation with our friends when we play  
Listen to and follow instructions carefully  
Share our ideas about events and characters from stories and imagine possibilities  
Use language to imagine and role play when we play  
Listen to our friends in class or carpet groups

## Physical Development

### We will:

Know that exercise keeps us healthy  
Get dressed and undressed by ourselves and fasten our buttons  
Form our letters correctly and start to keep our letters the same size  
Join in during sports day  
Join in during PE  
Explore different outdoor activities  
Make healthy choices at snack and lunch time

# ROAR like a Dinosaur!

### We will read:

Dinosaur's Love Underpants, Dinosaurs in my school,  
Dinosaur Romp, Non-fiction books

## Literacy

### We will:

Listen to and understand stories  
Write simple sentences  
Make attempts to spell some tricky words correctly  
Re-read our own writing  
Write an information poster  
Write a fact file  
Write a description  
Read information texts

## Expressive Arts and Design

### We will:

Act out familiar experiences in our Home Corner and play co-operatively with our friends  
Become an archaeologist in our Archaeologist's Lab  
Make dinosaur egg designs and patterns  
Make 3D shape dinosaur footprints  
Sing dinosaur songs and dance to music

## Maths

### We will:

Add two groups of dinosaur eggs  
Subtract the hatching dinosaur eggs  
Double and half dinosaurs  
Learn SD shape names and make dinosaur footprints  
Estimate the number of eggs in a nest  
Measure distance – jumping dinos

## Understanding the World

### We will:

Look at familiar celebrations like Father's Day,  
Explore bones and fossils  
Find out about extinct and endangered animals  
Find out how to look after the world and recycle  
Use the internet to research dinosaurs, extinct and endangered animals, recycling  
Explore frozen dinosaur eggs and make them melt
