

Personal, Social, Emotional Development

We will:

Play games with our friends with rules
Listen to and understand different points of view
Speak to our friends during show and tell and in carpet groups
Try to control our own feelings, stop and think before acting and think about how our own actions affect our friends
Try to come up with a fair solution when we have a disagreement
Listen to our friends suggestions

Communication and Language

We will:

Follow a story without picture or props
Listen to our friends and ask questions when we play and during show and tell
Start a conversation with our friends when we play
Listen to and follow instructions carefully
Share our ideas about events and characters from stories and imagine possibilities
Use language to imagine and role play when we play
Listen to our friends in class or carpet groups

Physical Development

We will:

Know that exercise keeps us healthy
Get dressed and undressed by ourselves and fasten our buttons
Form our letters correctly and start to keep our letters the same size
Join in during sports day
Join in during PE
Explore different outdoor activities
Make healthy choices at snack and lunch time

Literacy

We will:

Listen to and understand stories
Write simple sentences
Make attempts to spell some tricky words correctly
Re-read our own writing
Make a wanted poster for a pirate
Send a postcard
Write a letter – message in a bottle
Retell a pirate story
Read information about pirates

Land Ahoy!

We will read:

The Pirate Cruncher, The Pirates Next Door, A New Home for a Pirate, Non-fiction texts

Expressive Arts and Design

We will:

Act out familiar experiences in our Home Corner and play co-cooperatively with our friends
Construct own pirate ship role play and props
Become a pirate on our pirate ship
Sing pirate songs and dance to music
Make pirate hats
Make treasure chests with the junk modelling and other resources

Maths

We will:

Count the treasure in 2s, 5s and 10s
Recognise numbers beyond 20
Learn to read and make o'clock times
Record and form numbers correctly

Understanding the World

We will:

Travel to and find out about different countries
Find out about the lives of people in the past and present
Make a pirate ship and test to see if they float or sink
Trip to Liverpool to find out about pirates
