

ABC Monthly Newsletter

September 2023

Hello everyone and welcome back to ABC Club's newsletter.

We have had a lovely month settling back into our normal routines after the summer holidays, it has been great to hear what you have all been up to during the six week holiday and it has been lovely to welcome you all back and meet the new reception children who have settled in brilliantly. 😊

As a quick reminder can parents ensure that all children are booked into ABC so that sessions are paid for and so that we can determine the amount of snack required during the evenings.

The ABC newsletter is uploaded at the end of each month, on the school website to tell you about all the exciting activities we have been doing in club and what fun things we have planned for the month ahead.

Coming in October

Throughout next month, we will have a range of Autumn activities and spooky crafts for you all to enjoy.

The children have had a great time over the last month playing with our new play equipment and making new friends. ABC staff would like to thank the older children for their help in looking after the new reception class and making them feel welcome 😊

When we have had nice weather we have made use of the outdoor area playing in the park and collect the fruit from the trees 😊
