

Reception News — Friday 8th June

Hi everyone,

What a fantastic start to our last half-term! We discovered a treasure chest on Monday and found out it belonged to a pirate named Captain Redbeard. He asked us to be part of his pirate crew. So we have been completing some important pirate training including how to dress and speak and eat like a pirate!

In our writing we wrote a pirate promise to Captain Redbeard to promise to be the best pirates ever.

In our maths this week, we have been counting Captain Redbeard's treasure. We put ten gold coins into each treasure bag and counted in tens to find the total.

We wanted to make our own pirate ship so we have been busy making parts of the ship. So far we have made the flag and some cannon balls!

House Points

Well done everyone!

Matthew – Michael

Mark – Thomas

Luke – Luca

John – Ewan

Bucket Filler

Kate is our best bucket filler this week. She offered to tidy some of our toys without needing to be asked.

She has super helpful hands. 

Good Work

We celebrated Andrew's wonderful writing this week. Well done 😊

Reward Afternoon

For our reward this afternoon we have enjoyed some delicious biscuits. Well done to everyone who brought all their things to school this week 😊

Show and Tell

We heard about an exciting trip to London to see Buckingham Palace, Paddington Station and the show, Wicked. We celebrated a Judo and a gymnastics achievement. Well done to you both! We looked at Heidi's baptism candle and we remembered when Father Bernard baptised our own baby, Daisy. We also liked looking at a Pikachu picture and heard about it's powers. We looked at some special crystals, some lovely baby photos and heard all about a trip to the theatre to see Alladin 😊

Have a good weekend!
