

Reception News — Friday 15th June

Hi everyone,

Some very old things were found in our classroom on Monday. An old lantern, an old bottle of grog, a rusty lock, and an old letter. We decided that they were from the past.

In literacy we read an information book called Pirates in the Past. It was about an evil pirate called Blackbeard who lived a long time ago. We found out about all the mischief he got up to like stealing pirate ships. We said that a long time ago, the police might have made a Wanted poster to find him. So we decided to make our own Wanted poster to help.

In our maths this week, we have been helping people flee from Blackbeard. We helped to put them on the ships so that they could sail away. But only 5 people could fit. We have been counting in 5s to see how many people could get away.

We have finished off our pirate ship this week equipped with telescopes, pirate hats and cannon balls!

In come and see we have started our new topic, Our Wonderful World.

Good Work

Alice made a Wanted poster to try and catch the evil pirate, Blackbeard!

Trip to SEALIFE

Thank you to those who have return permission slips and money. If you haven't already please could you return them as soon as possible so that we are able to pay and secure the booking. Thank you

House Points

Well done everyone!

Matthew – Alex

Mark – Mia

Luke – Emily

John – Taylor

Health and Well-Being Week

Next week we'll be having lots of fun keeping fit and healthy so the children are to wear their PE kits all week. PE shorts and t-shirt if it's warm and joggers, PE t-shirt and a jacket if it's cold. Trainers instead of pumps 😊

Have a good weekend!

Reward Afternoon

For our reward we have had a movie afternoon. It was like being at the cinema!

Show and Tell

We loved looking at a London pop-up book showed lots of parts of London. We spotted Big Ben! We listened to some information about The Avengers. We looked at a very cool lava lamp. We celebrated two achievements; swimming and football. We heard about a trip to Manchester museum to see the dinosaurs and pre-historic animals and a trip to Liverpool museum to see the Terracotta Army. We heard all about winning a race on holiday. We read a letter from the tooth fairy and finally, we heard all about a Glamping trip to Wales. We heard that the ice-cream is rather good there!
