

Reception News — Friday 29th June

Hi everyone,

Captain Redbeard sent us a story to read all about sea creatures. We read *Commotion in the Ocean* by Giles Andreae. We enjoyed working out the clues and guessing the names of the creatures. This made us super excited for our trip!

We went to Sealife on Thursday and had a lovely time. In our workshop we learnt lots of interesting facts about sea creatures and then we designed our own aquariums. Then we spent the rest of the day exploring the different tanks and completing our sea creature spotters! Take a look at our photos 😊

We went to church on Friday morning to celebrate Y4's First Holy Communion and then enjoyed our picnic on the field with all of our friends.

Just a polite reminder: please make sure water bottles and hats are sent every day. Feel free to send extra sun cream if you wish for it to be reapplied in the afternoon.

It's sports day on Tuesday 3rd July at 2pm. We hope you can make it!

Please make sure you send the following things:

Sun hats

Sun cream

Water bottles

PE bags (if not already in school)

Show and Tell

We heard a fab story about a cookie monster and a trip to Chester Zoo. We looked at a unicorn egg that hatched in the water and saw some fantastic tap and ballet moves. Finally we said a big well done to our gold medallist who won 1st place for a number of races and our trophy winner who was the best player in his rugby match.

Have a great weekend.
