

# Reception News

## Come and See

This week we have been thinking about God's love for us. We looked at our special family photos and thought about how it feels to be lovingly held by people in our family. We said that this is like God's love.

---

This week's story was My Mum is a Superhero. We thought about our own mums and other people in our families. We talked about things we like to do when we spend time together.

## Phonics

We have started learning our letter sounds this week. For those children who already know their sounds, we are focussing on writing each one and forming them correctly.

## Home activities

Home activity books went home tonight. We are sending home some listening games and letter formation which will help to reinforce your child's learning.

(Home activity books need returned on Thursdays)

See you all next week 😊
