

Reception News

Come and See

We have started our new topic Welcome. Next week we will be looking at how we are welcomed into the church family when we are baptised. We would like to add the children's baptism photographs to our prayer table so it would be much appreciated if you could send some in. If you can't print at home, send it to our email address and we will print it for you 😊

We have settled straight back into school!

Once upon a time...is our topic for this half term and our story focus this week is The Gingerbread Man. We discovered some crumbs on a baking tray on Monday and found out they belonged to the Gingerbread Man who was hiding in our classroom.

We have been super writers this week and have been busy making 'Missing' posters to put up around our school to find him; along with constructing some amazing traps to catch him. We have been using our amazing maths to help Old Lady make more gingerbread biscuits and share them with Old Man. We are trying to use language like **more**, **less** and **same** to compare quantities.

See you next week!

From

Miss Davies and Mrs McDonald 😊
