Come and See

This week we have talked about being welcomed into God's family through baptism and we enjoyed looking at our baptism photographs - Thank you for sending them, we have now added them to our Come and See display.

Our story focus this week is Little Red Riding Hood. A red cloak and basket was left in our classroom and we soon guessed who it belonged to.

Little Red Riding Hood emailed us and asked for our help. She said she needed us to write a shopping list of things to buy for Grandma to make her feel better.

We have been exploring positional language in maths. Our songs, stories and games have helped us to understand and use language like under, on, in between, next to and through.

Donations

Can you help?

We are looking for donations of small boxes, yoghurt pots, kitchen roll tubes, egg boxes etc for our junk modelling area. We would really appreciate it 😊

See you next week!

From Miss Davies and Mrs McDonald 😊
