Come and See

We have now finished our topic Welcome. Next week we start our new topic Birthdays. Please could you send a photo of your child celebrating a birthday?

Thank you.

Our story focus this week is Goldilocks and the Three Bears. We have been talking about Goldilocks' wrong choices like eating the bears' porridge and breaking the chair.

We thought of ways for Goldilocks to fix her friendship with the Bears. This made us think of things we could also do if we upset our friends.

We wrote a letter to the Three Bears on behalf of Goldilocks. In our letters we wrote things like I am sorry, I will fix your chair, I will make more porridge.

In maths we have been helping the Bears get their house straight again after Goldilocks muddled all their things up. We have been sorting and ordering their belongings by size and using language like big, small, long, short etc to compare.

Some of us have even been measuring!

Christmas Crackers!

We are making some Christmas crackers to sell at our Christmas Fair. We are each decorating our own cracker and filling it with sweets! Please could you send in a handful of sweets and some festive wrapping paper for your child 😊 Thank you.

Have a great weekend.

From Miss Davies and Mrs McDonald 😊
