

Reception News Friday 8th December

Hello!

This week we have been so busy! Take a look at all the learning that's been going on...

In Come and See this week we have been thinking about how it feels to wait for a birthday. We remembered the birthday party we had for Wise Owl a few weeks ago and talked about ways we helped to celebrate.

Games Galore

We love playing at the games table!

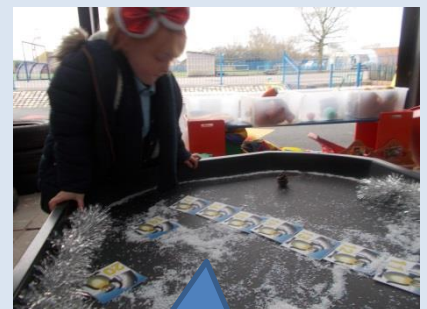

Maths Madness

We recorded the scores of our throwing and catching

We did some sharing with the Frozen characters.

We ordered the penguin numbers on the Christmas touch table.

Super scientists

Brilliant Builders

We are so imaginative! We are really good at building.

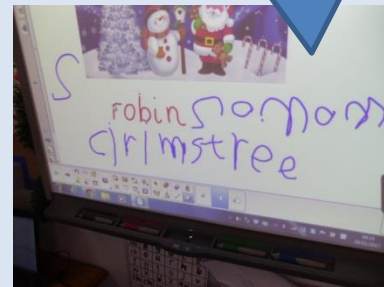

We found some ice in our garden. We tried different ways to melt it!

We love to write letters, lists and labels!

Wonderful Writers

Jingle the elf asked us to help wrap the presents for Father Christmas.

Christmas Chaos

Christmas Tree Decorating

(from last week)

Phonics

As you know we completed our phonics assessments recently. I have popped some activities in the back of the children's home activity books. These activities will help to build upon the phonics teaching your child has had in school. It would be much appreciated if you could find some time to play the suggested games; once or twice a week will make such a big difference. So no homework this week!

House Points

Matthew – Alex
Mark – Malachy
Luke – Angus
John – Ethan

Wallets and Bookbags

Wallets

Only letters, money and any other correspondence should be kept in wallets.

Bookbags

Everything else should be kept in bookbags.

Reading books, library books, tricky word books, home activity books.

Thank you 😊

Show and Tell

Lots of interesting show and tell today!

Our super bucket filler this week is Lucas! He has been so kind to his friends. Well done! ★
