

Reception News Friday 12th January

Happy New Year to you all!

We got stuck into our new exciting topic, To Infinity and Beyond! It started with a crash landing in our classroom. We found out the rocket belonged to an alien called Jet. We discovered his diary and we have been writing in it for him. We think he's exploring Earth and making lots of new friends.

We thought we would help Jet get home by building a new rocket for him. Of course we knew we would need to design one first. The 2D shapes we have been learning about have helped us to draw our rocket designs.

Phonics games

Miss Davies says we are getting SO good at reading and writing as well as recognising our tricky words. She can tell we've been playing our phonics games. She says keep up the hard work!

Bucket Filling

Our super bucket filler this week is Caitlin. She has been a good friend to everyone including the grown-ups!

Come and See

Our new topic is 'Celebrating'. We have been talking about different types of celebrations, things that make a good celebration, who we celebrate with and how celebrations make us feel. We liked listening to the song Celebration by Kool & The Gang. Have a listen at home if you get time!

Show and Tell

Today we looked at some lovely presents; a special watch from a Nanna and a Smiggle watch. We heard about a very scary but exciting cave challenge and got some tips about dog training! We also looked at a lovely bird souvenir, bought as a gift from a cafe.

Have a great weekend!

House Points

Well done everyone.
What a super start to the year!!

Matthew – Ishaan

Mark – Alice

Luke – Brooke

John - Ethan

Special Delivery

I'm sure you've heard all about our special delivery on Monday! We are super excited for our chicken eggs. If you haven't already, please could you return the letter ASAP 😊 Thank you!
