

Reception News Friday 23rd February

Welcome back everyone!

We started our new topic *How does your garden grow?* with a spring hunt. Even though we're a little early we managed to find some signs of spring like snowdrops, hazel catkins and a few shoots in our garden. In our writing we have been talking about the changes we will see in spring compared to winter.

In maths we have been practising our estimation skills. We know that it means having a 'good guess' and that our estimation can be a little bit more or a little bit less than the exact amount.

Show and Tell

Our show and tell this week consisted of a gymnastics achievement, a lovely drawing, a mysterious fairy door, a Pikachu birthday present, a special diamond ring and an interesting information book about horses. It was lovely hearing about each of them!

Good Work

We are super proud of James this week. He did some fantastic independent writing. Well done!

Sing Fest

Yesterday, a lady from Sing Fest came to visit us and taught us some special songs. We are going to be performing those songs alongside other Reception classes in the Town Hall on Tuesday 20th March. We are very excited! A letter with more information about this will be sent home soon.

House Points

Well done everyone!

Matthew – Ruby

Mark – Mia

Luke – Freddi

John – Taylor

Phonics

We have been doing our phonics assessments this week. Miss Davies is checking to see which sounds and tricky words we know and which ones we need more practise with. Watch this space... some new phonics activities may be coming home over the next week or two.
