

Reception News Friday 2nd March

Hello everyone.

This week in literacy we have been learning to retell stories. The story we have explored is The Little Red Hen. We have been drawing story maps, retelling the story verbally and writing it down.

In maths we have been helping Farmer Ted to feed his animals at the farm, including the little red hen. We have been helping him choose the best bucket to use by deciding which was full, half-full or empty. We then went on to measure how many scoops of food each bucket would hold. This helped us to say which bucket would feed the most animals.

In Come and See we have been talking about Gathering. We explored how we gather as friends and how we gather in church as a church family.

Please could you send hats, gloves and scarves every day 😊

World Book Day

We loved showing off our painted potatoes on Thursday during our special assembly. We also enjoyed looking at all the other children's work. To celebrate World Book Day we decorated our classroom door with the story The Very Hungry Caterpillar – a very well-known and loved story by us all. We're so proud of all our work.

Good Work

We are super proud of everyone in our class this week. We stood up in our good work assembly and retold the story The Little Red Hen!

House Points

Well done everyone!

Matthew – Caitlin

Mark – Heidi

Luke – Andrew

John – Ewan

Changes to our routine...

Thank you for supporting our new home time routine. I hope you will agree it gives us more chance to communicate at the end of the day 😊

We will also be changing our visits to the library from every Friday to every other week. Thanks again – Miss Davies

Phonics

We are still doing our assessments! Miss Davies is super impressed so far. Watch this space...some new phonics activities may be coming home over the next week or two.

Show and Tell

We talked all about different cultures today – we looked at a boomerang from Australia, a bracelet from The Gambia and some photos from a Chinese New Year celebration. We saw a feather, some gymnastics uniform, some number work, a gymnastics certificate, a special photograph, a football trophy, a medal, and some special stones. Well done everyone 😊
