

Reception News – Friday 27th April

Hi everyone,

Our second week started off with some baby dinosaur footprints dotted all around our classroom. We were so excited to see them!

For our writing this week, have worked hard to describe the baby dinosaur using our senses – what it looks like, what it sounds like, what it feels like and what it smells like. We used the story Bumpus Rumpus Dinosaurumpus to inspire us.

In maths we have been exploring 3D shapes. We have been learning the names of the shapes and hunting for everyday objects that are similar. We even had a go at counting the faces on 3D shapes. Well Done 😊

Our story, Bumpus Rumpus Dinosaurumpus, is all about the dinosaurs coming together to dance. So our afternoons have been filled with dance and music this week. We split into dinosaur dancing teams and came up with our own dance routines. We created lots of different dinosaur moves to represent each dinosaur. We had a dinosaur dance off in PE. Take a look at our photos!

Good Work

We celebrated Ruby's lovely writing this week. We're proud of you!

Hot Weather

When appropriate, please could you send a sun hat for your child, as well as their water bottle.

Sun Cream

Please apply sun cream in the morning. If you wish for it to be applied again at lunch time, you can send sun cream into school. Please make sure it has your child's name on.

House Points

Well done everyone!

Matthew – Ruby

Mark – Heidi

Luke – Andrew

John – Taylor

Reward Activities

We are introducing a new reward system for our children to encourage them to bring everything they need to school on the correct days. We would really appreciate it if you could support your child with this. You will find a checklist in your child's wallet that will hopefully encourage them to be more independent and take responsibility 😊

As a reward for bringing the correct things each day, we will organise some fun activities for the children to take part in on Friday afternoons. This may be extra time on the climbing wall, bikes and scooters, parachute games etc.

Thank you in advance for your support!

Show and Tell

We heard about lots of different trips today; Kate's trip to the beach where she found some rocks, swam in the sea and got stuck in some seaweed; Alice's trip to the caravan park – we really liked looking through her photo albums; Brooke's visit to the museum and to the zoo – those baboons are so cheeky; Jonathan's visit to Manchester to watch Robot Wars – it sounded very exciting; Heidi's visit to the dentist – we think the tooth fairy will be on their way soon; Jessica's visit to Disney Land – we heard about all the rides she went on! Then we looked at Caitlin's Minnie Mouse hat which was a lovely present from her Dad, and last but not least, Mia's fairy door – we asked if the fairy ever left messages for Mia?

Have a great weekend!
