Come and See

This week it's been Hinduism Week and we had a visitor from Priti Mistry. She told us the story of Diwali.

We've been talking about E-Safety and how to stay safe when we use different technology and on the internet. We sang a song to help us remember to ask for help before we click on anything strange.

Thank you for attending our reading and writing workshop – we are hoping to run a counting workshop next half-term so keep an eye out for the date.

And that's it! Can you believe we have been in school for a full half-term!

We are ready for a rest so have a good break from school and see you next half-term.
