

Reception News

Our story focus this week was *The Very Hungry Caterpillar* by Eric Carle.

We practised retelling the story in lots of different ways.

We drew story maps, used actions and had a go at writing the story in our own words.

In maths this week, we explored repeated patterns. You should see our repeated pattern caterpillars! They are so colourful.

We really enjoyed celebrating World Book Day and loved showing off our pyjamas to our friends. We spent the day sharing our stories.

That's all for this week!
