

I like learning songs in History with Mrs Taylor!

I love learning about the Great Fire of London and using Lego to build things.

I enjoy learning about Remembrance Day each year with the poppies because it's a special day and it is important to remember the soldiers who fought in the war.

I'd like to go on more History school trips to museums.

History is good because we get to do lots of things in our topics too, like making pizzas in DT and looking at artefacts from that time.

I'd love to learn more about 'Black History' instead of just one week.

I really like History and I like doing comprehensions because they teach us a lot about it, too!

I think it's fascinating learning about how people felt in the past

I like it because you get to see how things have changed through time!

Subject: History

We get lots of books to read which is really cool!

What our children said ...

I like History because we get to learn about all of the things in the past you don't know about, like Mount Vesuvius

I'd like to learn more about History from where I live.

We get to do fun things like dig in playdough to find clues and artefacts about the Stone Age!

I like it because it is nice to know we will be a part of history one day and you also get to learn about your

It would be great if we had more practical equipment and artefacts to do investigations about History.

I really like going on the internet or iPads to do research and watching videos about history is fun too because you can learn things quicker.

The teachers enjoy teaching us about History because it is important.

I think my teacher is a good historian. How can you teach everyone if you don't know how to do history?
