

They know how to sort a problem out on the playground.

We really like the range of activities that we do in Happy, Healthy Me!

I don't like it when the children talk over the teacher.

I know I am successful when feel better about myself.

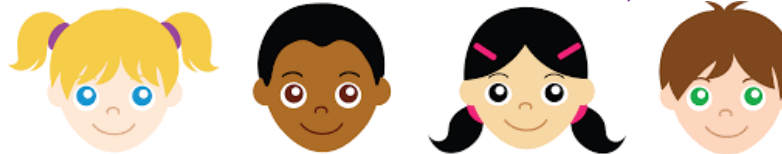

School could improve by doing less reading comprehension.

I like learning new things.

I really enjoyed when we learnt about mental health.

We really like our Happy, Healthy Me lessons.

I know I am successful because I have learnt how to deal with things on the playground.

Subject: PSHE/Happy Healthy Me!

I like it when we have a debate about different topics.

What our children said ...

I like how I can talk to the teachers and things get sorted out.

We love coming to school.

I liked it when we learnt about recycling.

I know I have been successful when I get lots of ticks or my peg moves up.

I really like colouring in pictures during my Happy Healthy Me lessons.

I really enjoyed learning about laws and British Values.

I don't like it when I make a mistake in football all my class crowd around me.

I wanted to learn more about diet/exercise, personal hygiene, mental health.
