15. Fill in the table below. The first one has been done for you.

Problem	Solution
The tunnel is far from home – how will the children eat?	Mother let them take their lunch with them.
	The children decide to run to tell the station staff.
There is not enough time to alert the train staff before the next train (the 11.29) uses the tracks.	
The children need something red to wave.
