

Georgia O'Keeffe

Georgia O'Keeffe was a famous artist, who drew close up images of mainly flowers and other things to like this animal skull picture. She loved using pastels to create bright bold images.

Georgia said "If I could paint the flower exactly as I see it no one would see what I see because I would paint it small like the flower is small, So I said to myself - I'll paint what I see - what the flower is to

me but I'll paint it big and they will be surprised into taking time to look at it - I will make even busy New Yorkers take time to see what I see of flowers."

She also liked to draw landscapes.

Georgia was born in 1887 and died in 1986 at 98 years old. She lost her sight later in life but still created art with help from an assistant.

Georgia taught art in a public school between 1912 - 1914.
